Professional Summary

Detail-oriented and highly motivated MCA graduate with a strong foundation in claims adjudication processes, automation using UiPath, and expertise in the Provider and Payer domains. Adept at streamlining processes, ensuring accuracy, and maintaining compliance with company policies. Looking for a Process Executive - HC role to contribute my skills in automation and claims processing while working in a collaborative, growth-driven environment.

Education

Master of Computer Application (MCA) | 2022 - 2024
Kumaraguru College of Technology, Coimbatore
CGPA: 8.18
Bachelor of Science in Mathematics | 2019 - 2022
Ayya Nadar Janaki Ammal College, Sivakasi
CGPA: 7.815

Technical Skills

- Automation Tools: UiPath (for process automation and claims processing)
- Claims Adjudication: Familiar with Payer and Provider domains, claim review, compliance checks
- Programming & Databases: Java, Python, SQL, MySQL
- Web Technologies: HTML, CSS, JavaScript, React.js
- Other Skills: Data Structures & Algorithms, Problem-Solving, Process Improvement

Projects & Experience

Automation of Claims Processing using UiPath
- Developed a UiPath bot to automate repetitive tasks in claims adjudication, reducing processing time.
- Ensured compliance with company policies and industry best practices in claims processing.
- Collaborated with stakeholders to identify inefficiencies and implemented solutions.

Eduflex - E-Learning Platform (MERN Stack Project)
- Built a web-based learning platform, ensuring seamless UI/UX and secure user authentication.
- Implemented MongoDB, Express.js, React.js, and Node.js for full-stack functionality.

PicStream - Image Bulk Downloader (Python Project)
- Developed a Windows application using Python, API integration, threading, and Tkinter to streamline image downloads.

Certifications

- SQL and Relational Databases 101 (Issued: July 2024)
- UiPath RPA Developer Foundation (In Progress)

Soft Skills & Strengths

- Strong analytical and problem-solving skills
- Ability to work night shifts and adapt to hybrid work environments
- Excellent communication and collaboration abilities
- Detail-oriented with a focus on accuracy and compliance

Volunteering & Leadership

- Alumni Coordinator, Kumaraguru College of Technology (2022-2024) – Led and managed alumni networking initiatives.
- NSS Member, Ayya Nadar Janaki Ammal College (2019-2022) – Organized and participated in community service programs.

Declaration

I hereby declare that the above-mentioned information is true to the best of my knowledge and belief.
